THE FOSTERING SUCCESS SUMMIT

SEPTEMBER 26 - 8:00 - 1:30
THE COMMONS

Young adults who age out of foster care without a strong family or network of support face significant barriers as they start their adult journey. How can we make this journey more successful? What resources exist or need to be create?

The goal of this Summit is to gather a collaborative group of leaders in their field to recognize the barriers every young adult experiences after aging out of the foster care system and identify resources and opportunities to produce more successful transitions.

This Summit will explore:

- The Barriers for Success for Former Foster Youth
- The Housing Crisis for Youth and Solutions
- Education Opportunities
- Workforce Development Opportunities
- Measuring Success

Registration will open June 1. This is a free event for attendees.

If your organization would be interested in hosting a table please contact Gordy Rawles, TSF at Gordon.rawles@gmail.com

This event is co-sponsored by The Success Foundation, Project LIFE, UMFS, & Virginia's Kids Belong.
